RYOBI®

INTRODUCES

3

YEAR*
WARRANTY

ACROSS ITS RANGE

**OUR TOOLS ARE BUILT TO LAST.
SO IS OUR WARRANTY.**

You want more out of everything. Which is what Ryobi delivers. And now thanks to its best-in-class technology and innovation, Ryobi brings you their first ever 3 year warranty*.

That's why people choose Ryobi because we are designed to do more.

*Registration required for extension from 2 to 3 years. Please visit our website HYPERLINK "http://www.ryobitools.eu" www.ryobitools.eu within 30 days of purchase for detailed information about warranty conditions and extension registration. This warranty is valid in the European Community, Switzerland, Iceland, Norway, Liechtenstein, Turkey and Russia. Outside these areas, please contact your authorized RYOBI dealer to determine if another warranty applies.

At Ryobi® we've built a solid and enviable reputation by developing a real knowledge of exactly what people need from their garden tools.

-------------------	----

We offer a 3 year guarantee on all our product (AC/DC) range, excluding accessories and component subject to natural and normal wear and tear, please refer to our warranty conditions in the user's manual for the complete conditions.

All products shown are in compliance with the appropriate European regulations (displaying the CE approval mark on the rating plate).

Warning: All warranties are country/region specific. Tools purchased e.g. in the USA or via the internet, and imported into Europe, which are not CE approved, not only violate EU legislation, but will not be supported/serviced in Europe by Ryobi® as a result. Only tools bought in the European Union displaying the CE approval mark on the rating plate (incl. Switzerland) are covered by a European warranty. Ryobi® reserves the right to revise product specifications at any time without notice.

*Registration required for extension from 2 to 3 years. Please visit our website HYPERLINK "http://www.ryobitools.eu" www.ryobitools.eu within 30 days of purchase for detailed information about warranty conditions and extension registration. This warranty is valid in the European Community, Switzerland, Iceland, Norway, Liechtenstein, Turkey and Russia. Outside these areas, please contact your authorized RYOBI dealer to determine if another warranty applies.

18v ONE+ SYSTEM Battery fits all

POWER OVER 50 DIFFERENT TOOLS FOR THE HOME & GARDEN WITH THE SAME LITHIUM+ BATTERY!

50+
TOOLS!

BUY THE TOOLS YOU WANT at the time you need them...

...and avoid paying over the odds for excess batteries and chargers. With everything from drills to radios, trimmers to paint sprayers the choice is there for you to grow your family of tools however you want.

CHOOSE A KIT...

Buy any kit with tool, battery & charger included to *start your family*

OR

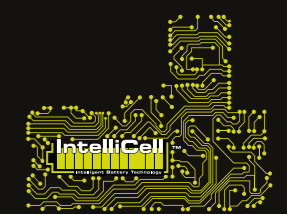

PICK A TOOL...

expand your family for less by buying individual bare tools, batteries or chargers.

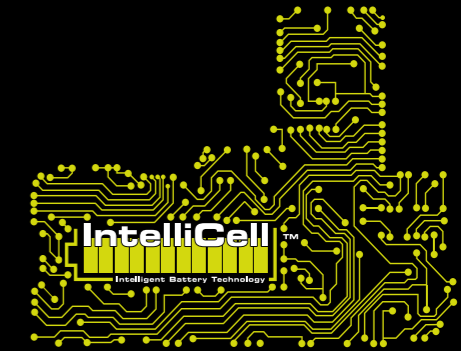

IntelliCell™ battery technology

Uniquely manages its own power to deliver optimum performance and runtime for any ONE+ tool and application.

The battery that **thinks for itself.**

The battery that thinks for itself.

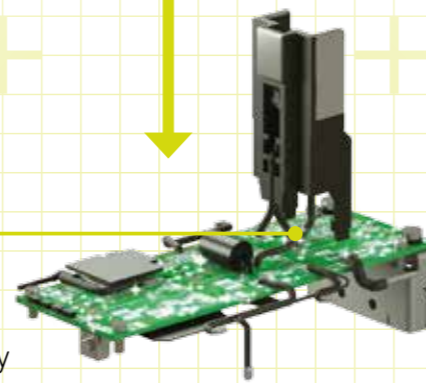

IntelliCell™ battery technology

Uniquely manages its own power to deliver optimum performance and runtime for any ONE+ tool and application.

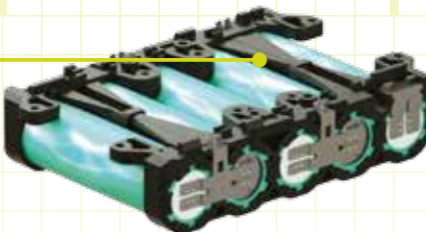

Fuel Gauge

The simplest way to monitor your battery life and manage your workload.

Protection Electronics

The electronics shut down the tool if there is too much strain on the battery or if it gets too hot, protecting both tool and battery from damage.

High Power Cells

A first for the DIY market! Energy flows easily through the cells when required in high bursts for increased performance.

Introducing the DIY market's first ever 5.0Ah Lithium+ battery

Offering DIY'ers the longest runtime, so now you can work for longer without the need to recharge your battery!

+ Runtime

+ Performance

+ Durability

+ Power Management

Lithium+

INSTANTLY UPGRADES YOUR ONE+ TOOL.

Get **3X** more work done

Upgrade to the 5.0Ah battery

Drill up to 934 holes*

Cut up to 100 metres*

Mow up to 250m²*

* Mower runtime using model: RLM18X33H50 drill up to 10 x 50mm holes through pine, cut up to 100 metres of 13 mm plywood.

* Runtime varies by tool battery and application.

* Drive up to 4 x 32mm screws into pine, drill up to 10 x 50mm holes through pine, cut up to 100 metres of 13 mm plywood. Mower runtime using model: RLM18X33H50. Runtime varies by tool battery and application.

50+ TOOLS POWERED BY THE LARGEST RANGE OF LITHIUM BATTERIES.

ONE+ RB18L25 18V 2.5Ah Lithium+ Battery

- Powerful 2.5Ah Lithium+ battery gives more power, longer runtimes and better durability than previous lithium technologies.
- 4 Stage fuel gauge displays remaining power (100%, 75%, 50%, 25%)
- IntelliCell™ technology monitors and balances individual cells to maximise run-times, storage life and safety
- Tough pack design with built in impact protection for long term durability
- Drive up to 749 4x40mm screws with RCD1802
- Cross-cut up to 115 pine 2x6's (50*150mm) with R18CS
- Runtime can vary by tool, battery and application

Article Number 5133002237
EAN Code 4892210129062

NEW **ONE+** RB18L20 18V 2.0Ah Lithium+ Battery

- Powerful 2.0Ah Lithium+ battery gives more power, longer runtimes and better durability than previous lithium technologies.
- Tough pack design with built in impact protection for long term durability
- Drill up to 125 holes per charge (16mm holes through 2" / 50mm pine) with RCD1802
- Cross-cut up to 70 pine 2x6's (50*150mm) with R18CS
- Runtime can vary by tool, battery and application

Article Number 5133002737
EAN Code 4892210145093

ONE+ RB18L15 18V 1.5Ah Lithium+ Battery

- Powerful 1.5Ah Lithium+ battery gives more power, longer runtimes and better durability than previous lithium technologies.
- 4 Stage fuel gauge displays remaining power (100%, 75%, 50%, 25%)
- IntelliCell™ technology monitors and balances individual cells to maximise run-times, storage life and safety
- Tough pack design with built in impact protection for long term durability
- Drive up to 528 4x40mm screws with RCD1802
- Cross-cut up to 72 pine 2x6's (50*150mm) with R18CS
- Runtime can vary by tool, battery and application

Article Number 5133001905
EAN Code 4892210124081

NEW **ONE+** RC18118C 18V In-Car Charger

- Plugs into vehicle's 12V DC outlet, giving you the flexibility to charge batteries while driving or when access to power is limited
- ONE+ charger compatible with all ONE+ 18V Lithium+ batteries
- Indicator lights show the status as batteries are charged and maintained
- Intelligent condition monitoring, evaluates the battery's voltage and temperature while charging ensuring long term durability
- Protective electronics audibly warns you and shuts down the charger if your vehicle's battery is too low.

Article Number 5133002893
EAN Code 4892210150134

ONE+ BCL14181H 18V Charger

- Dual chemistry charger for use with all Ryobi 18V batteries
- LED charge indicators
- Maintenance mode - Batteries stored on charger are conditioned for peak performance
- Charges batteries within a temperature range of 0°C to 50°C
- Charges 1.3Ah battery (RB18L13) in 45 minutes

Article Number 5133001127
EAN Code 4892210117991

NEW **ONE+** RC18627 18V 6 Port Charger

- Power on demand - 6 port charging station makes an ideal hub to store all your ONE+ batteries
- Charges at a rate of 2.7Amp/h meaning you can charge a 2.5Ah battery in 1 hour
- ONE+ charger compatible with all ONE+ 18V Lithium ion batteries
- Indicator lights show the status as batteries are charged and maintained
- Intelligent condition monitoring, evaluates the battery's voltage and temperature before charging ensuring long term durability

36V

Ultimate cordless tools for your garden

POWER OVER 10 DIFFERENT GARDEN TOOLS WITH THE SAME BATTERY!

 **97% less noise and vibration**

 **No messy petrol or oil spills**

 **Best of all, no emissions during use.**

The 36V range of cordless garden tools truly deliver petrol performance. Powered by 36V Lithium+ batteries, you will never want to use anything else in your garden again.

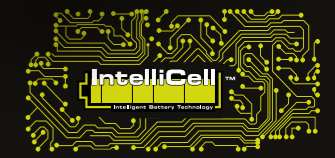

Ryobi's has a 36V cordless tool to cover any garden application. From mowing, trimming grass and hedges, chopping logs, garden tidy up or pressure washing. Best thing of all, you only need one battery to power them all!

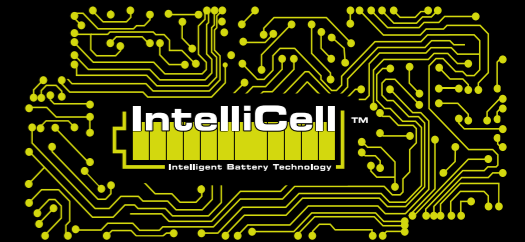

IntelliCell™ battery technology

Uniquely manages its own power to deliver optimum performance and runtime for any ONE+ tool and application.

The battery that **thinks for itself.**

The battery that thinks for itself.

IntelliCell™ Battery Technology

The 36V Lithium+ battery with IntelliCell™ technology uniquely manages its own power to deliver optimum performance and runtime for any 36V tool and application.

FUEL GAUGE

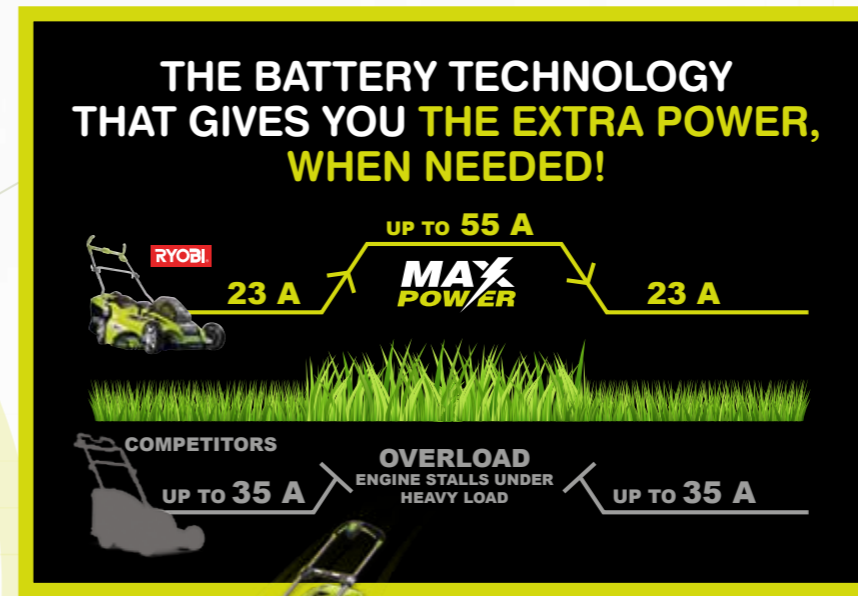

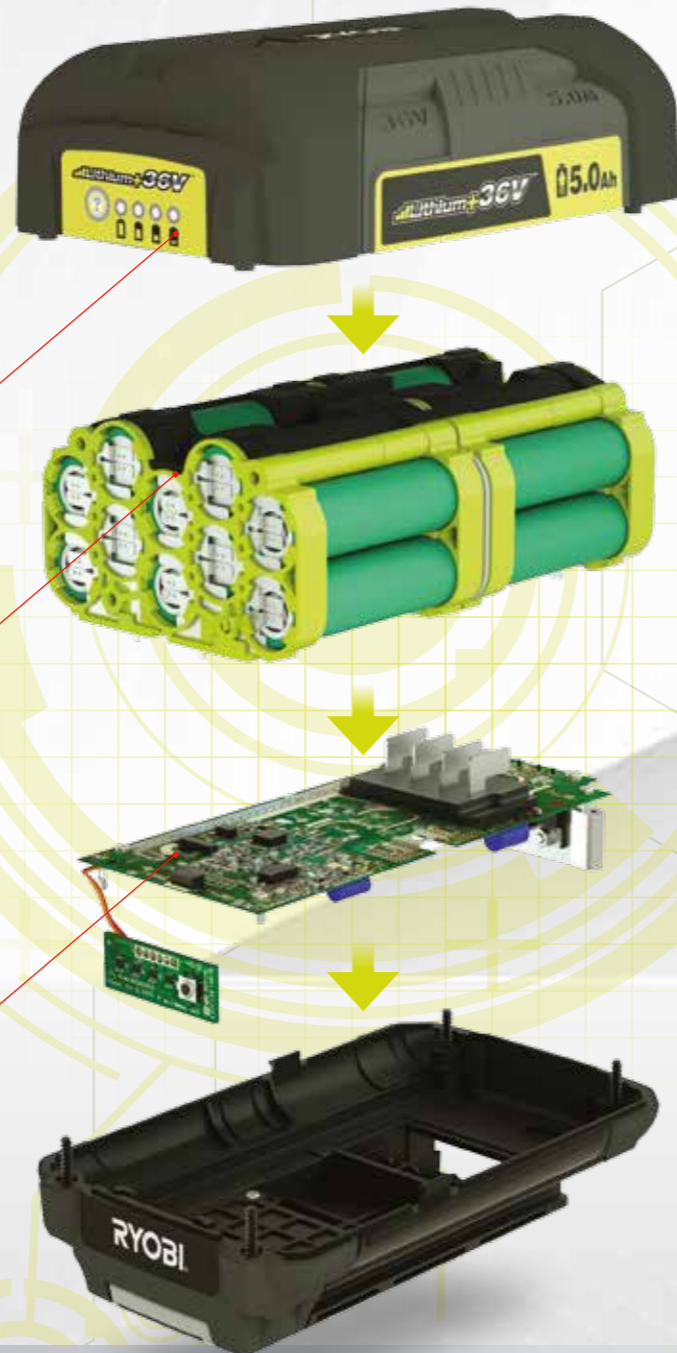

The simplest way to monitor your battery life and manage your workload.

HIGH POWER CELLS

A first for the DIY market! Energy flows easily through the cells when required in high bursts for increased performance.

PROTECTION ELECTRONICS

The electronics shut down the tool if there is too much strain on the battery or if it gets too hot, protecting both tool and battery from damage.

MAX POWER

PETROL PERFORMANCE

Lithium+ 36V batteries give you petrol performance thanks to Max Power. MaxPower offers automatic power management, increasing power output when needed in high bursts for increased performance, ideal for heavy duty applications.

- + Runtime**
- + Performance**
- + Durability**

NEW RLM36X41H40
36V Cordless Lawnmower, 40cm Deck (1x4.0Ah)

- Powerful 36V MAX POWER™ Lithium+ batteries give more power, longer runtimes, and better durability than previous lithium technologies, providing a truly petrol-equivalent experience
- Intellicell™ technology monitors and balances individual cells to maximise run-times, storage life, and safety
- High-torque 36V brushed motor delivers premium performance even in tough grass conditions
- Optimized cutting deck with 40cm metal blade for excellent cutting, mulching, and bagging performance
- Robust 5-position, single-point height adjustment provides a cutting range from 20-70mm
- Mow up to the edge or around flower beds with EasyEdge™ grass comb
- Telescoping, ergonomic handles provide a comfortable mowing experience for users of all heights
- Collapsible handles and grass catcher for easy and compact storage
- 50L grass catcher capacity

RBC36X26B 36V Cordless Brush Cutter with Bike Handles (1x 4.0Ah)

- 2-in-1 Cordless Brush Cutter/Grass Trimmer for removing tough grass, small bushes & undergrowth
- Powerful 4.0Ah Lithium+ battery gives more power, longer runtimes and better durability than previous lithium technologies
- Intellicell™ technology monitors and balances individual cells to maximise run-times, storage life and safety
- Powerful cutting performance due to high torque motor
- 2-in-1 with 26cm Tri-Arc™ hardened steel cutting blade for powerful precise cutting
- Large 30cm cutting path to get your job done quickly
- Variable speed trigger for extended run time
- Bike handle design with Vertebrae™ harness provides additional padding and support
- Rear mount battery and inline motor for better balance and weight distribution

Mow your lawn the right way

In search of greener grass? Try some of these handy tips to improve your lawn quality

Tip!

Proper mowing increases the density of the lawn, which in turn decreases weeds. Each type of grass has a recommended mowing height.

Find out which type of grass is in your lawn (you may have more than one) and mow at the proper height.

What type of gardener are you?

Innovative

Cordless

Innovative gardeners don't like to be tied down. They enjoy the freedom of cordless innovation where one battery powers a range of tools.

RLM46140
140cc OHV Petrol Lawnmower, 46cm Deck

- 140cc OHV engine technology
- Clean engine technology. Beats CE CO emission limits by 40%, and CE HC+Nox emission limits by 34%
- 4-in-1: Grass bagging, mulching, side eject and rear eject
- Mulching function finely chops and redistributes grass clippings into the ground as a natural fertiliser
- Side eject feature allows mower to cut longer or higher volume of grass without the need to empty bag
- Self-propel transmission removes the need to push mower, saving time and energy
- Large rear wheels for smooth and easy movement
- Robust 7 position, single point height adjustment provides cutting range from 25mm-75mm
- Ergonomic handle design with multiple grip positions and adjustable height for improved comfort
- Quick release handles and hard top / soft sides bag for compact storage
- Hose connection for quick and easy cleaning of the underside of deck
- Bumpers to protect the mower when cutting close to hard surfaces

RLM46175SO
Subaru® 175cc OHC Petrol Lawnmower, ONE+ EasyStart ready, 46cm deck

- Subaru® 175cc OHC chain drive engine technology
- Clean engine technology
- ONE+ "EasyStart" ready for effortless starting. No need to ever pull the cord again
- 4-in-1: Grass bagging, mulching, side eject and rear eject
- Mulching function finely chops and redistributes grass clippings into the ground as a natural fertiliser
- Side eject feature allows mower to cut longer or higher volume of grass without the need to empty bag
- Self-propel transmission removes the need to push mower, saving time and energy
- Large rear wheels for smooth and easy movement
- Robust 7 position, single point height adjustment provides cutting range from 25mm-75mm
- Ergonomic handle design with multiple grip positions and adjustable height for improved comfort
- Quick release handles and hard top / soft sides bag for compact storage
- Bumpers to protect the mower when cutting close to hard surfaces
- Hose connection for quick and easy cleaning of the underside of deck

Engine displacement (cc)	175
Cutting path width (cm)	46
Drive mechanism	Self propelled
Weight (kg)	35
Article Number	5133002554
EAN Code	4892210138187

Standard equipment (RLM46175SO)
Mulching plug, side eject kit

Compatible Accessory

	Name: RAC400
	Product Code: 5132002275

RLM53190SV
Subaru® 190cc OHC Petrol Lawnmower with Variable Pace, 53cm deck

- Subaru® 190cc OHC chain drive engine technology
- Clean engine technology. Beats CE CO emission limits by 20%, and CE HC+Nox emission limits by 25%
- Variable pace technology lets the user adjust the mower to personal walking speed, with independent control to also adjust engine speed
- 4-in-1: Grass bagging, mulching, side eject and rear eject
- Mulching function finely chops & redistributes grass clippings into the ground as a natural fertiliser
- Side eject feature allows mower to cut longer or higher volume of grass without the need to empty bag
- Self-propel transmission removes the need to push mower
- Robust 7 position height adjustment for 25mm-75mm cutting range
- Ergonomic handle & adjustable height for improved comfort
- Quick release handles & hard top/soft sides bag for compact storage
- Bumpers protect the mower when cutting close to hard surfaces
- Hose connection for quick and easy cleaning of the underside of deck
- Large rear wheels for smooth and easy movement

EXPAND-IT™
 ATTACHMENTS

SMART TOOL

LET YOUR TOOL DO THE THINKING.

Optimised performance no matter what attachment you're using. No compromise on power, no compromise on performance.

Find out more at ryobitools.eu

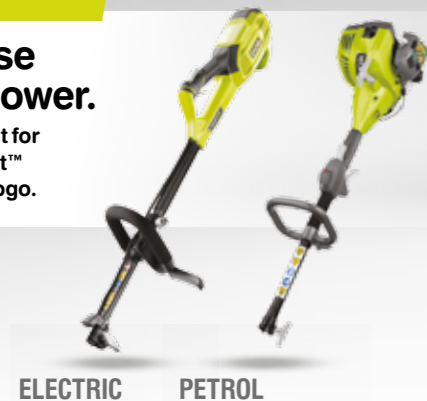

EXPAND-IT™ ATTACHMENTS

Turn one tool into five...

Step 1

Choose your power.

Just look out for the Expand-it™ compatible logo.

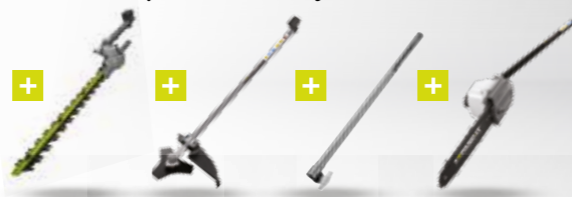

ELECTRIC PETROL

Step 2

Choose your attachments.

Save time, space and money.

Hedge Trimmer Brush Cutter Extension Shaft Pole Pruner

With Expand-it™ you can cut, trim, sculpt, tidy and prune your garden, just by adding a new attachment.

RXAHT01
Articulating Hedge Trimmer

Article Number: 5132002796

- SmartTool™ technology optimises blade speed for hedge cutting
- Ultimate performance of 4670 cuts/minute when powered by petrol engine
- Maximum performance of 3916 cuts/minute when powered by 1200W motor
- 90° articulating blade for comfortable cutting at any angle
- 44cm dual reciprocating diamond ground blades for clean and precise cuts
- Capable of cutting large branches with 28mm blade gap
- 2.17 kg

RXPR01
Pole Pruner

Article Number: 5132002797

- SmartTool™ technology optimises chain speed for cutting
- Petrol and electric motors provide premium 15m/s cutting performance
- 15° angled blade for comfortable and safe cutting
- Automatic chain oiler and clear oil tank
- 2.2kg

RXEX01
Extension Shaft

Article Number: 5132002793

- Ideal for extending pole pruner or hedge trimmer attachments
- Length: 62cm
- 0.61kg

RXBC01
Brush Cutter

Article Number: 5132002795

- SmartTool™ technology optimises blade speed for clearing tall grass, small bushes, and undergrowth
- Ultimate performance of 8100RPM when powered by petrol engine
- Maximum performance of 7080RPM when powered by 1200W motor
- 20cm cutting path to even the toughest jobs done quickly
- Tri-Arc+™ hardened metal blade
- 2.05kg

Let the tool do the work!

Tip!
Slow down and let the blades/line do their job. If you go through tall grass or brush at too high of a speed, you trimmer will leave grass and other brush standing. You will cut more if you let your tool do the work!

Tip!
All of Ryobi's Brush Cutters double up as Grass Trimmers. So now you can have both tools in one whenever you purchase a Ryobi Brush Cutter.

What type of gardener are you?

Innovative

Cordless

Innovative gardeners don't like to be tied down. They enjoy the freedom of cordless innovation where one battery powers a range of tools.

EASYSTART™ TECHNOLOGY

Take the effort out of petrol...

Attach Start Remove

- Attach the EasyStart™ Module, powered by any ONE+ Battery, to your petrol tool.
- Start your petrol tool at the push of a button or a turn of a key.
- Remove the EasyStart™ Module and trim, cut, blow away!

EasyStart™ Technology is also optimised for the EasyStart™ Lawnmower, but there is no need to buy the module, simply plug in any ONE+ battery to start mowing.

OES18

ONE+™ EasyStart™ for starting Petrol tools at the push of a button

- ONE+™ EasyStart™ ensures effortless starting of compatible petrol tools. No need to ever pull the cord again
- The easy way to start your compatible petrol hedge trimmer, brush cutter or grass trimmer
- Compatible Petrol Hedge Trimmer: RHT25X60RO
- Compatible Petrol Grass Trimmer: RLT254CDSO
- Compatible Petrol Brush Cutters: RBC254SESO, RBC254SBSO, RBC254SBO, RBC31SESO, RBC31SBO, RBC42FSBO, RBC47SEO, RBC52FSBO, RBC52FSBOS
- The ONE+™ EasyStart™ Module is part of the ONE+ System. Where the ONE+ battery fits all the home & garden tools in the cordless system

Standard equipment (OES18)

The safe way to chainsaw

Tip!
Let's start with the basics: your personal protective equipment or PPE. Any time that you operate a chainsaw you really need to wear eye protection, ear protection, good sturdy boots, long trousers, a long sleeve shirt, gloves, and chainsaw chaps.

Tip!
Before you begin any cutting, check the environmental safety. Particularly with felling, look up, look down, look around. Is there an escape route for you to take for when the tree falls? Is there a clear path for the tree to fall?

What type of gardener are you?

Get your garden ready for Winter

Tip!

Autumn/Winter is also a great time to get old logs ready for firewood. Check out Ryobi's log splitters.

Tip!

One of the key aspects of autumn cleanup is the removal of potentially problem pests and disease. When you rake up old leaves and debris, you are removing a hiding place for overwintering insects and pests.

What type of gardener are you?

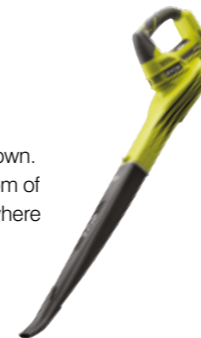

Innovative

Cordless

Innovative gardeners don't like to be tied down. They enjoy the freedom of cordless innovation where one battery powers a range of tools.

NEW
Compatible with AC/DC/ PETROL RYOBI BlowerVacs

RAC138
Vertebrae+™ Harness

Vertebrae+™ Harness distributes the load across a large area for added comfort. The harness has a wide back plate and wide shoulder pads. This reduces strain and gives weight distribution between the left and right shoulder. The hip pad can be adjusted for best comfort when cutting. The harness is very easy to adjust for the best fit and comfort. The quick release helps to remove the product from the harness easy and safe.

Article No. 5132002706

RAC805
Ergo Harness

Ergo Harness for all Pole Pruning & Hedge Trimming Product. It distributes load of the product across a large area for added comfort and allows for prologue usage without causing unnecessary strain or fatigue

Article No. 5132002765

RAC311
Hedge Trimmer brush universal

Works to remove debris and lubricate your hedge trimmer blades, helping to prevent degradation of the blades. Simply fill the on-board tank with Ryobi Oil (RAC312), press the pump and glide the brush up and down the hedge trimmer blades and lubricate the blade simultaneously.

Article No. 5132002864

RAC365
High capacity leaf collection system

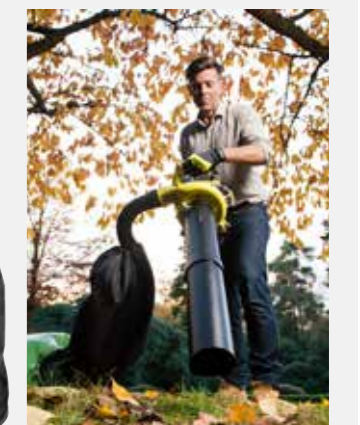

Don't waste time emptying small blowervac bags when you can use this leaf collection system to send mulched leaves directly into large volume (100-200L) bags.

Article No. 5132003275

RAC305
Universal HEDGESWEEP™

Debris Remover – removes the cut material from your hedge as you work

Article No. 5132002437
